

Key Stage 1 - 2019

Attainment data at Key Stage One is based on teacher assessment at the end of year two which is informed by tests children sit, in May of that academic year.

Assessment judgements are made in reading, writing and maths and the children are reported as working towards the expected standard, working at the expected standard or working at greater depth.

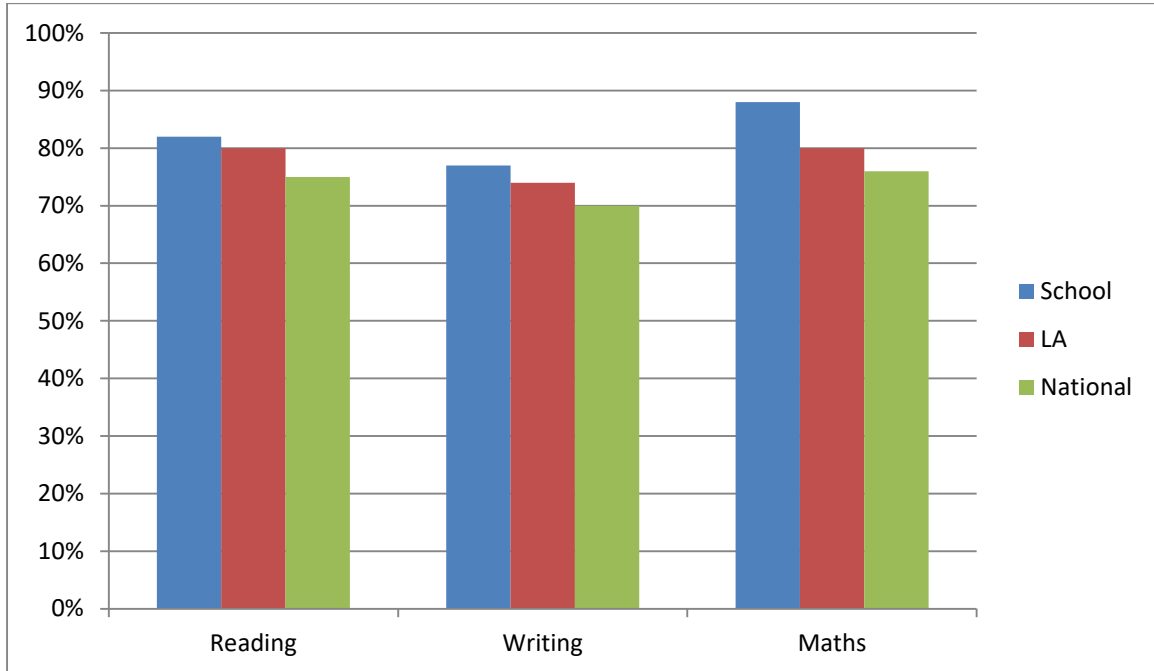

Below are the results for Froxfield CofE Primary School compared with the national results. These results are based on a cohort of 17 children, with each child representing 6%.
