

# 'The Conquerors' Legacy'

3<sup>rd</sup> January 10th February 2023.

## **Literacy**

The children will carry out a unit of work linked to 'The Conquerors' by David McKee. They will read and analyse the text including a focus on sentence types and sentence starters. They will then use the book as a stimulus for a unit of work on characterisation, as well as a unit of work on persuasive writing.

## **Maths**

We will be learning how to identify right angles, turns and lines of symmetry in a shape. We will also use our multiplication facts to derive related division facts answering questions in a range of different contexts.

## **Science**

Our Science focus this half term is electricity. We will be identifying devices that are powered by electricity and explore how electricity is pushed into a device. We will create our own circuits and learn how different materials can be effective conductors or insulators.

## **Computing and E-safety**

In computing we will be learning how to create media-animation and in e-safety we are learning how websites use advertisements to promote products.

## **Religious Education**

Our concept days this half term will be linked to the key concept of 'Belonging as identity' in the context of the Mezuzah and the Shema.

## **History**

We will be learning about why the Romans decided to invade Britain and the impact they had. We will also begin to understand aspects of the long term impact of the Roman Empire and their significance.

## **Physical Education**

This half-term, PE for Class 3 will be on **Mondays and Tuesdays**. Aspire Coaching will work with the class on Mondays teaching basketball and netball skills, while Tuesdays lessons will be gymnastics.

## **RHE – Relationships and Health Education**

Our focus for this half term will be how we can manage our feelings.

## **French**

We will be learning the phonic sounds ch, ou, on, oi and learning at least five French verbs to be able to use them in a sentence using je peux ( I can). We will also be having a French afternoon on the 2<sup>nd</sup> February to learn about La Chandeleur. (Candlemas or The Festival of Lights.)

## **Art**

Class 3 will be exploring still life art through observational drawing. We will look at a range of different artists and their art work.

## **Music**

In music, Class 3 will be learning how to play the recorder following simple music.
