

At Froxfield Pre-School, we have high expectations for our children. We support each individual child, so that they may achieve a set of carefully considered curriculum aspirations - which prepare them for their move onto school.

Each aspiration has a set of developmental milestones, which sits alongside it. These milestones form a developmental pathway which staff, use to recognise progress and inform planning.

Our Aspirations

- **To be able to dress and undress independently.**
- **To be able to follow a set of instructions to create play dough.**
- **To recognise and label how they are feeling and to communicate their needs.**
- **To be able to hold and use mark making tools with control.**
- **To listen to and retell a story, understanding how a book works.**
- **To make a model from wood, using the woodworking tools.**
- **To communicate freely about our diverse world, using a broad vocabulary.**
