

'Lest we forget'

4th September to 20th October 2023

Literacy

Literacy learning this term will be based around the text 'Friend or Foe', a longer text by Michael Morpurgo. Class 3 will be writing a range of different text types over the half term including: character descriptions, letters and diary entries.

Maths

We will be learning the composition of 100 and 1000 and recognising and representing the value of digits in 3 and 4 digit numbers through partitioning. We will also begin to add and subtract numbers using the column method.

Science

Our Science focus this half term is Rocks and Soils. We will learn about how rocks are made and recalling names of some types of rocks.

Computing and E-safety

In computing, we will be using our word processing skills to learn how to copy and paste. Our E-safety focus will be to understand what information should not be shared.

Religious Education

Our concept days this half term will be linked to the key concept of Creation.

History

Our topic is based around the history of World War Two. We will learn to understand how World War Two shaped and changed family life and the roles of women.

Physical Education

This half-term, PE for Class 3 will be on **Mondays and Wednesdays**. Aspire Coaching will work with the class on Mondays, while Wednesdays lessons will be swimming for year 4 and strength and fitness for year 3.

RHE – Relationships and Health Education

Our focus for this half term will be recognising our own positive qualities and learning how to set personal goals.

French

We will learn classroom language, recap our learning of phonic sounds, ch, ou, on and oi. We will also be learning the names of musical instruments.

Art

Class 3 will be exploring how we create sequenced imagery to share and tell stories.

Music

In music, children will be learning how to play the violin.
