

'Through the Ages'

2nd September to 25th October 2024

Literacy

Literacy learning this term will be based around the text 'Stone Age Boy' by Satoshi Kitamura, with a key focus on spelling, punctuation, grammar and presentation. Class 3 will be writing a range of texts including a diary entry, a letter, and rewriting their own version of the story about a character from the Stone Age coming into modern life in England.

Maths

We will be learning the composition of 100 and 1000 and recognising and representing the value of digits in 3 and 4 digit numbers through partitioning. We will also begin to add and subtract numbers using the column method.

Science

Our Science focus this half term is magnets. We will learn about magnetic forces and how magnets attract and repel. We will investigate magnetic properties of different materials.

Computing and E-safety

In computing, we will be reinforcing our keyboard skills and learning how to copy and paste onto a word document. Our E-safety focus will be to understand there are different forms of online communication that can be positive and sometimes not suitable.

Religious Education

Our concept days this half term will be linked to the key concept of 'Symbol' in the context of 'Hannukah'.

History

We will be learning about the changes in Britain from the Neolithic (New Stone Age) to the Iron Age. We will focus on how materials have developed and how some are still used today. We will learn how living arrangements, farming and art and culture changed during these periods.

Physical Education

This half-term, PE for Class 3 will be on **Mondays and Wednesdays**. Aspire Coaching will work with the class on Mondays, while Wednesday's lessons will be swimming for year 4 and strength and fitness for year 3.

RHE – Relationships and Health Education

Our focus for this half term is Health and Wellbeing in the context of learning how to recognise our own positive qualities and how to set personal goals.

French

We will be learning how to introduce ourselves, say how we feel and be able to identify countries where the language is spoken.

Art

Class 3 will be experimenting with charcoal to create their own drawings and exploring different tones.

Music

In music, children will be learning how to play the ukulele.

Key vocabulary: civilisation, legacy, Stone Age, Neolithic, Bronze Age, Iron Age
