‘Through the Ages’

2nd September to 23rd October 2026

FROXFIELD
CE SCHOOL

Literacy
Literacy learning this term will be based around the text ‘Stone Age Boy’ by Satoshi Kitamura, with a key focus on spelling, punctuation, grammar and presentation. Class 3 will rewriting their own version of the story about a character from the Stone Age coming into modern life in England.

Maths
We will be learning the composition of 100 and 1000 and recognising and representing the value of digits in 3 and 4 digit numbers through partitioning. We will also begin to add and subtract numbers using the column method.

Science
Our Science focus this half term is magnets. We will learn about magnetic forces and how magnets attract and repel. We will investigate magnetic properties of different materials.

Computing and E-safety
In computing, we will be reinforcing our keyboard skills and learning how to copy and paste onto a word document. Our E-safety focus will be to understand that there are different forms of online communication that these can be positive but are sometimes not appropriate.

Religious Education
Our concept days this half term will be linked to the key concept of ‘Symbol’ in the context of ‘Hannukah’.

History
We will be learning about the changes in Britain from the Neolithic (New Stone Age) to the Iron Age. We will focus on how materials have developed and how some are still used today. We will learn how living arrangements, farming and art and culture changed during these periods.

Physical Education
This half-term, PE for Class 3 will be on **Mondays and Tuesdays.** Aspire Coaching will work with the class on Mondays, while every other Tuesday, lessons will be swimming for year 4 and strength and fitness for year 3.

PSHE – Personal, Health and Social Education
Our focus for this half term is how to take care of the mind and body by learning about emotions and feelings.

French
We will be learning 4 phonic sounds, how to introduce ourselves and be able to identify countries where the language is spoken.

Art
Class 3 will be experimenting with charcoal to create their own drawings and exploring different tones.

Music
In music, children will be learning how to play the recorder and reading simple music.

Key vocabulary: civilisation, legacy, Stone Age, Neolithic, Bronze Age, Iron Age
